Post-Acute Partners in Care Conference
Vendor and Sponsorship Opportunities

The South Dakota Association of Health Care Organizations (SDAHO) post-acute, Partners in Care Conference, provides the ideal environment for networking and connecting with new and existing customers. As a sponsor/vendor, you have the opportunity to get your products and services in front of South Dakota’s healthcare leaders, across the continuum of care.

The post-acute care conference captures an intimate group of health care professionals from all major health systems and stand-alone facilities across South Dakota. Attendance is roughly 150-200 individuals including hospital, nursing home, home health, assisted living and hospice CEOs as well as state officials, legislators and other key stakeholders from partnering affiliates and associations. As a sponsor, you can gain greater visibility for your organization and get additional recognition for the products or services you provide.
