Retention Strategies: Saving Money & Fostering Quality through Workforce Engagement

The South Dakota Office of Rural Health has chosen to offer this at no charge!

Join 3RNet for this six-part webinar series starting October 2, 2018.

The 2018 Academy will examine retention strategies that save money and encourage quality care by engaging your current workforce such as:

- Setting the Foundation of Retention through Recruitment
- Starting Retention through Behavioral Interviewing and Other Successful Hiring Practices
- On boarding, Stay interviews, Administrative Structures
- Strengthening Employee Engagement through Ongoing Performance Management, Coaching and Accountability
- Burnout, Recognition, & Compensation Strategies
- Retention Hot Topics; Community Impact of the Opioid Crisis; and Training Programs for Rural and Underserved Retention

Why 3RNet?

There are a lot of options for recruitment education, but the 3RNet Recruiting for Retention Academy is the only online training specific to rural and underserved communities.

Benefits

- Access to six live 90 minute webinars featuring national experts on rural/underserved retention
- Password protected portal to gain access to the webinar recordings, session materials, and more
- Ability to ask questions to other Academy attendees and 3RNet members via the Academy listserv
- A certificate of completion
- Supporting 3RNet's mission of ensuring quality healthcare access to the nation's rural and underserved communities
