Tiffany Wolfgang, South Dakota
Department of Social Services

ORN presenters:

Christina Boyd; Marvis Doster; Sharon
Hesseltine; Dean Krahn; Deena Murphy

About:

Join us for a two-day meeting to discuss building capacity in South Dakota to address the opioid epidemic using evidence-based practice. Everyone is welcome; those already working in prevention, treatment, and recovery, legislators and policymakers, tribal leaders, faith-leaders and the faith-based community, family members, healthcare providers, health departments, educators, and community-based organizations. Our goal is to share evidence-based resources around effective interventions in prevention, treatment, and recovery to impact the opioid epidemic across all populations and to collaborate to address the needs specific to South Dakota.

This two-day course covers the following topics:

- (1) The Opioid Epidemic in South Dakota and how South Dakota is taking action to impact the epidemic.
- (2) Evidence-Based Approaches to Prevention, Treatment, and Recovery.
- (3) Effective Approaches for Youth and Adolescents.
- (4) Family Centered Care.
- (5) Stigma Reduction Approaches.

A key part of this meeting will be to hear from community members about the gaps and needs in the region and how we can partner together to support these needs to more effectively impact the epidemic in South Dakota.

NAADAC Continuing Education. The Addiction Technology Transfer Center (ATTC) National Coordinating Office (Provider #64973), located at the University of Missouri – Kansas City (UMKC) School of Nursing and Health Studies, is an accredited NAADAC continuing education provider. This activity has been approved for 11.75 CE. The ATTC Network Coordinating Office (NAADAC Provider #64973) is responsible for all aspects of its programming.

Health Education CHES

Sponsored by UMKC School of Nursing and Health Studies, a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc. The Opioid Response Network Training is designated for Certified Health Education Specialists (CHES) and/or Master Certified Health Education Specialists (MCHES) to receive up to 11.75 total Category 1 continuing education contact hours.

Continuing Medical Education:

This Live activity, Opioid Response Network Training, with a beginning date of 07/10/2019, has been reviewed and is acceptable for up to 11.75 Elective credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Continuing Nursing Education:

The UMKC School of Nursing Continuing Nursing Education Division is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. This activity offers up to 11.75 contact hours for nurses.

Continuing Social Work Education: This program is approved by the National Association of Social Workers (Approval # 886475666-4999) for 12 continuing education contact hours.

Funding for this initiative was made possible (in part) by grant no. 6H79TI080816 from SAMHSA.
