

How AHAPAC Works

Who Can Contribute to AHAPAC

Full-time, salaried employees of member hospitals, health systems or state associations with executive, managerial or supervisory responsibilities.

Hospital or health system trustees.

Individual members of AHA's professional membership groups or the American Organization for Nursing Leadership.

How AHAPAC Works

AHAPAC Steering Committee sets annual national and state goals.

With prior authorization, state hospital associations and hospital leaders solicit contributions from eligible members.

Eligible contributions raised through state hospital associations are shared with AHAPAC.

How AHAPAC Collaborates With States

Coordinating fundraising efforts and participating in local candidate events.

Developing strategies for support of congressional candidates.

Providing customizable fundraising and election-oriented resources.

AHAPAC Contributes to Selected Candidates for the U.S. Congress

Strong advocates with a history of health care leadership.

Have a track record of championing hospital issues.

Are supported by members and state hospital associations.

Support AHAPAC and help elect pro-hospital candidates to Congress.

Contributions or gifts to the AHAPAC are not deductible as charitable contributions for federal income tax purposes. All contributions are voluntary and have no impact on your job status, performance review, compensation or employment. Any giving guideline is merely a suggestion. Any amount given or the decision not to give will not advantage or disadvantage you. Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation and name of employer of individuals whose contributions exceed \$200 in a calendar year (January-December).

How Does AHAPAC Support Our Advocacy Agenda?

By Supporting Candidates for the U.S. Congress Who Understand Hospital and Health System Commitments to Their Communities

The American Hospital Association Political Action Committee – AHAPAC – is **a critical piece** of AHA's advocacy program.

It is **the most effective** means of providing the nation's hospitals and health systems with **one, unified political voice**.

It is **the best** opportunity for hospital leaders to enhance our **political visibility**.
