

FOSTER G. MCGAW PRIZE | DON'T LEAVE YOUR STORY UNTOLD!

Sponsored by the Baxter International Foundation, the prestigious **Foster G. McGaw Prize** honors hospitals, health systems and integrated networks that have demonstrated exceptional commitment to community service.

These organizations were among the 2023 honorees for the Foster G. McGaw Prize for Excellence in Community Service

- **Memorial Hermann Health System** sponsors safe and healthy physical activity at an area park to promote social cohesiveness and combat high rates of obesity.
- **Cedars-Sinai Medical Center** helps people transition out of homelessness by providing expanded housing options, vocational training and education.
- **GBMC HealthCare** provides more than 50,000 rides to oncology patients who lack reliable transportation, improving compliance with their course of treatment.

WHAT IS YOUR STORY?

Who should apply? Organizations that demonstrate:

- Leadership that demonstrates commitment to community health strategies
- Community partnerships that improve access to quality, safe and equitable care
- Initiatives that address societal factors influencing health

The winning prize is \$100,000. Finalists are awarded \$10,000.

The 2025 application period is March 27 – May 22, 2024.
