

Creative solutions for South Dakota's healthcare workforce

2024 HEALTHCARE REVOLUTION

What is the 2024 Healthcare Revolution?

Healthcare in South Dakota and across the nation has seen some radical changes in recent years – change that has led to a social restructure of how healthcare is served up and delivered.

This healthcare workforce summit will provide professionals across the state information and education on the generational shifts in healthcare hiring and retention practices along with healthcare delivery.

Together, with our partners, the South Dakota Department of Health will deliver relevant and innovative solutions to ensure that you will be able to stretch your team without burning them out, while empowering you and your leadership team to grow as well. It has never been more critical to work together to build our South Dakota healthcare pipeline.

Our team wants to give you tips, tricks, and tools to retain your teams far into the future. Serving up healthcare in diverse ways is key to maintaining relevancy with your clients and patients as well as with your new recruits.

Healthcare has been re-imagined and the allure of the traveling provider has never been more prominent!

Who should attend?

If you work in any one of the following sectors and are in a supervisory position, we want to see you here!

2024 HEALTHCARE REVOLUTION

Creative solutions for South Dakota's healthcare workforce

KEYNOTE SPEAKERS

DAY 1

LeAnn Thieman - A nurse for thirty years and coauthor of *Chicken Soup for the Nurse's Soul*, LeAnn Thieman knows first hand the "war zones" of healthcare today. As a renowned motivational speaker, LeAnn shares life-changing lessons

learned from her daring Operation Babylift adventure, when she helped to rescue 300 babies as Vietnam was falling to the communists! Believing we all have individual "war zones," she inspires audiences to balance their lives, truly live their priorities, and make a difference in the world.

Dr. April Prunty is a PhD prepared and board-certified professional development Registered Nurse with vast expertise in both academic and clinical settings. She has served in multiple executive leadership positions and sees herself as a

thought partner and bridge between key stakeholders who seek to solve complex challenges facing today's healthcare leaders. Her primary areas of service include speaking engagements, consultation, thought partnership, mentorship, and coaching.

DAY 2

Andy Masters IGNITES a cultural transformation to cultivate and empower future leaders, in order to improve performance, advance business growth, and transform customer experience — all within a creative, and high-morale work

environment. Andy is an award-winning author and international speaker who has written 5 books, earned 4 degrees, and presented over 1,000+ entertaining and impactful programs. Attendees will not only get an interactive multi-media experience but will walk away with "take-home" action items to embrace the new workforce revolution within healthcare.

POTENTIAL SESSION TOPICS

- Creative Ways to Serve Up Healthcare
- Hear from Leaders who have the ability to retain high functioning staff
- The Unexpected Healthcare Worker
- Growing Your Own through Apprenticeship
- Stretch Your Team without Burning Them Out
- Building the Employee Pipeline + Paradigm Shift
- Healthcare Innovation Examples: hospitals, long-term care, clinic settings

CONFERENCE DETAILS

For the first year, this conference will take place August 12 & 13, 2024, in Pierre at the Ramkota River Center. **Registration is free** and continuing education (CEU) credits will be offered. After the completion of Day 1, enjoy an evening of networking with hors d'oeuvres and on Day 2 a small breakfast and lunch will be served.

EXHIBITOR BOOTH OPPORTUNITIES

As an exhibitor at Healthcare Revolution, you have an opportunity to share your services or products with attendees. Exhibitors for this event may include healthcare related non-profit organizations, associations, healthcare facilities, industry partners, and other state or local government agencies.

Booths are free and will be on a first come, first-served basis. There are 25 exhibitor spots available.
