SunRx 340B Webinar Series: Changing National Landscape of 340B

LIVE WEBCAST DATE: Tuesday, 11/3/2026

LIVE WEBCAST TIME: 11:00 AM PDT / 2:00 PM EDT

THIS WEBINAR REQUIRES REGISTRATION: PLEASE REGISTER USING LINK BELOW

Join us for an informative webinar hosted by SunRx featuring special guest speaker — **Bharath Krishnamurthy, Health Policy & Analytics, American Hospital Association.**

The 340B program continues to evolve as covered entities navigate changes in the national policy, legal, regulatory, the manufacturer environment, and new payment models. This webinar will provide an overview of the key developments shaping 340B today and what they may mean for 340B entities in the future.

Understanding these changes is critical to anticipating potential impacts on program operations, savings, and compliance.

In this session, we will share valuable insights for consideration in the management of your 340B program strategy.

- Contract Pharmacy dispute.
- Emerging Rebate Model activity
